Bishop Heber High School

Subject	Year	Term
Geography	7	1

Topic

Geography Skills & Russia

Content (Intent)

Prior Learning (Topic) KS2 (Primary National Curriculum)

The Geography skills students will gain within this topic are fundamental for the remainder of lessons in KS3 curriculum and beyond. Students also identify geography which they have learnt at primary school to help inform teacher's planning for the remainder of the curriculum. Students should be able to distinguish the different types of Geography and gain the ability of interpreting different types of maps and locating countries using the contents, index, longitude and latitude. Be able to use/interpret OS Maps. Student can the use this incorporate this knowledge into a topic about Russia.

Future Learning (Topic) Cold environments and Making a Living

What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)
Geography Skills • Difference between Human/Physical/Environmental Geography • 4/6 figure grid references • Scale • 4 & 8 point compass • OS Map Symbols **Russia** • Physical Features of Russia and how they influence human features • Russia's Climate (Climate Graphs) • Russia's influence on the world • Culture in Russia	Assessment Atlas Test – baseline test OS Map Skills multiple choice Keyword Tests to check understanding of key vocabulary Russia End of Topic assessment Formative assessments through low stakes quizzes Knowledge recall activities Results will be recorded in KS3 trackers in student books and sent home via school report process

How can parents help at home?

Use map zone website www.mapzone.co.uk with your child to help support their map skills
Use Teams updates to ensure homework deadlines are met
Monitor reports that are sent home
Help practice keyword tests
