

June 2020

Dear Parents / Carers,

School Uniform and PE kit from Whitchurch Sports

I want to let you know that, following Government permission for all shops to reopen, Whitchurch Sports is now open between 9am – 5pm, Monday to Saturday. We are fully stocked with school uniform and PE kit.

To keep customers and our staff safe, we are following all Government guidance. 2-metre social distancing has been marked out in the shop, and there is plenty of pavement for queuing outside during busy periods. We have erected a perspex screen at the till and contactless payment is available. There will be regular cleaning in the shop.

During the busy summer back-to-school sales period, we would ask you to contact us ahead of your visit. The easiest way is to send an email with the subject 'SCHOOL ORDER' to enquiries@whitchurch-sports.co.uk with the items and sizes required. Please include a contact telephone number, so we can call you when we have your goods ready to arrange a suitable collection time. Should you be shielding or self-isolating, please don't hesitate to call us to see how we can help get items to you.

Changing rooms will be closed, but should any purchases not fit, we will gladly exchange any unworn clothing, so please do not add name labels until clothes have been tried for size. For your safety, any returns will be set aside for 72 hours before resale, and we have a steam cleaner to further ensure customer safety.

Thank you for your continued custom.

Yours faithfully,

Brian Gresty
Proprietor
