# Year 7 Curriculum Information

In Year 7, all students study the National Curriculum subjects. This booklet has been produced to provide you with information about what your son/daughter is learning in School during the current academic year. We hope that the more information you have about what your son/daughter is learning, the more you will be able to support and enhance the learning. This may be through support with homework, discussion or identifying relevant books and websites.

## Assessment

In Year 7 we measure students' attainment in GCSE grades on a scale from 9 to 1 (with 9 being the highest grade achievable at GCSE.) These grades show the particular skills, knowledge and understanding which a student has reached in each subject. Teachers will regularly assess each student's progress and their attainment will be reported to you in their reports three times each year.

## Homework

All staff set homework on a regular basis. To keep a record of homework set this is recorded on the Parent Portal (INSIGHT) and Teams. In addition, students have a diary in which teachers may ask them to write down the homework and the date it is due in. All students will be issued with a homework timetable at the start of the year, which indicates which day homework should be set in each subject.
