Religious Studies	Theatre Studies	Product Design	Psychology	Physics
Sociology				Sport*
Tourism*	Mathematical Studies+			

Above are the subjects and option block combinations provisionally available in the Lower Sixth for 2025. To find out more about courses (including individual course entry requirements), see the 2025-27 Course Guide available here: <https://www.bishopheber.cheshire.sch.uk/sixth-form-options-information>

All subjects are A level qualifications unless stated.

* BTEC National Level 3 Extended Certificate (Equivalent to one A-Level)

** Level 3 Diploma (Equivalent to one A-Level)

Further Mathematics can only be taken as a fourth 'main' qualification and must be selected alongside Mathematics and 2 other subjects.

+ Mathematical Studies is an extra L3 course that may be recommended for students taking maths-reliant subjects who are not already taking Maths A level.

NB The Extended Project Qualification will be available in September 2025 to all students as an additional enrichment course option.

Please complete your formal application and course choices via this online form: <https://forms.microsoft.com/e/b9tEEMP826>

- Most students will select **three subjects each from different blocks**. For the remaining 2 blocks, you should select 'None/Free'.
- If you wish to study Further Mathematics, select 4 course choices, including Mathematics, and one block as 'None/Free'.
- You **must** also indicate at least one reserve subject should your preferred combination of subjects not be available (e.g. due to low numbers of final applicants). At the end of the application period, if we are unable to offer a subject for any reason, we will contact you to discuss.

DEADLINE FOR RETURN: Please note that the deadline for receipt of applications is Thursday 6th February 2025.
