

COMPLAINTS PROCEDURE

HANDLING COMPLAINTS DURING THE COVID-19 PANDEMIC

In light of the Department for Education updating the guidance for school complaint policies, please note that we will endeavour to respond to your complaint in accordance with our usual complaints policy and procedure. If your complaint relates to remote education provision, please clearly mark it as such.

Due to the Covid-19 pandemic, it may not always be possible to adhere to our usual processes and timescales. If we have to deviate from our published policy, please be assured you will be kept fully informed as to the reason why and the timescale within which you can expect a response to your complaint.

Our policy states we may invite you into the school to meet and discuss the complaint you have raised. Please be aware that this meeting will have to take account of the relevant restrictions and social distancing guidance that is in place at that time. It may therefore be that the matter is discussed by exchange of correspondence, over the telephone or via video call as an alternative. This would be done in full consultation with you.

Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the School. Any person, including members of the public, may make a complaint to the School about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

The difference between a concern and a complaint

A concern may be defined as '*an expression of worry or doubt over an issue considered to be important for which reassurances are sought*'.

A complaint may be defined as '*an expression of dissatisfaction however made, about actions taken or a lack of action*'.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. The School takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the Headteacher or selected member of the Senior Leadership Team, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the Headteacher or selected member of the Senior Leadership Team will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

COMPLAINTS PROCEDURE

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, the School will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a complainant, as long as they have appropriate consent to do so. For ease, a Complaint Form is annexed to this policy.

Concerns should be raised with either the class teacher or tutor. If the issue remains unresolved, they should make an appointment to discuss the matter with the Subject Leader or Year Leader. If the concern remains unresolved at that point, or the concern is serious, an appointment should be made to discuss the matter with the Headteacher.

If this informal process of dealing with concern has not resolved it satisfactorily then a formal complaint can be made.

Complainants should not approach individual Governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

Complaints against school staff (except the Headteacher) should be made in the first instance, to (Headteacher/Member of the Senior Leadership Team) via the School Office. Please mark them as Private and Confidential.

Complaints that involve or are about the Headteacher should be addressed to the Chair of Governors, via the Clerk to the School Office. Please mark them as Private and Confidential.

Complaints about the Chair of Governors, any individual Governor or the whole Governing Body should be addressed to the Clerk to the Governing Body via the School Office. Please mark them as Private and Confidential.

If you require help in completing the form, please contact the School Office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

COMPLAINTS PROCEDURE

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this complaints procedure

This procedure covers all complaints about any provision of community facilities or services by the School, other than complaints that are dealt with under other statutory procedures, including those listed below.

Exceptions	Who to contact
• Admissions to schools • Statutory assessments of Special Educational Needs • School re-organisation proposals	Concerns about admissions, statutory assessments of Special Educational Needs, or school re-organisation proposals should be raised with CWAC
• Matters likely to require a Child Protection Investigation	Complaints about child protection matters are handled under our child protection and safeguarding policy and in accordance with relevant statutory guidance. If you have serious concerns, you may wish to contact the Local Authority Designated Officer (LADO) who has local responsibility for safeguarding: Paul Jenkins paul.jenkins@cheshirewestandchester.gov.uk 0151 356 6628 or the Multi-Agency Safeguarding Hub (MASH) Email (ordinary): i-ART@cheshirewestandchester.gov.uk Telephone: 0300 123 7047
• Exclusion of children from school*	Further information about raising concerns about exclusion can be found at: www.gov.uk/school-discipline-exclusions/exclusions. <i>*complaints about the application of the behaviour policy can be made through the school's complaints procedure. The School's Behaviour Policy can be found on the School Website.</i>

COMPLAINTS PROCEDURE

Exceptions	Who to contact
Whistleblowing	We have an internal whistleblowing procedure for all our employees, including temporary staff and contractors. The Secretary of State for Education is the prescribed person for matters relating to education for whistle-blowers in education who do not want to raise matters direct with their employer. Referrals can be made at: www.education.gov.uk/contactus. Volunteer staff who have concerns about our School should complain through the School's complaints procedure. You may also be able to complain direct to the Local Authority or the Department for Education (see link above), depending on the substance of your complaint.
Staff grievances	Complaints from staff will be dealt with under the School's internal grievance procedures.
Staff conduct	Complaints about staff will be dealt with under the School's internal disciplinary procedures, if appropriate. Complainants will not be informed of any disciplinary action taken against a staff member as a result of a complaint. However, the complainant will be notified that the matter is being addressed.
Complaints about services provided by other providers who may use school premises or facilities	Providers should have their own complaints procedure to deal with complaints about service. Please contact them direct.
National Curriculum - content	Please contact the Department for Education at: www.education.gov.uk/contactus

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against the School in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

COMPLAINTS PROCEDURE

Resolving complaints

At each stage in the procedure, the School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology

Withdrawal of a complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1

Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the School Office. This may be done in person, in writing (preferably on the Complaint Form), or by telephone. The Headteacher will make arrangements to assist a complainant in completing the Complaint Form on request.

The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within **5** school days.

Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face-to-face meeting is the most appropriate way of doing this.

Note: The Headteacher may delegate the investigation to another member of the School's Senior Leadership Team but not the decision to be taken.

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation

At the conclusion of their investigation, the Headteacher will provide a formal written response within **21** school days of the date of receipt of the complaint.

If the Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

COMPLAINTS PROCEDURE

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the School will take to resolve the complaint.

The Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1.

If the complaint is about the Headteacher, or a member of the Governing Body (including the Chair or Vice-Chair), a Governor will be appointed to complete all the actions at Stage 1.

Complaints about the Headteacher or member of the Governing Body must be made to the Clerk, via the School Office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Governing Body or
- the majority of the Governing Body

Stage 1 will be considered by an independent investigator appointed by the Governing Body. At the conclusion of their investigation, the independent investigator will provide a formal written response.

Stage 2

If the complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a meeting with members of the Governing Body's Complaints Committee, which will be formed of three Governors who are not members of staff. This is the final stage of the complaints procedure.

A request to escalate to Stage 2 must be made to the Clerk, via the School Office, within **5** school days of receipt of the Stage 1 response.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within **5** school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within **15** school days of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from the complainant. A meeting may be held remotely in order to accommodate parties.

COMPLAINTS PROCEDURE

Parties to a remote hearing will agree to take part from a private location without other members of the public or media in attendance.

The complaints committee will consist of at least three Governors with no prior involvement or knowledge of the complaint. Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Committee. If there are fewer than three Governors from the School available, the Clerk will source any additional, independent Governors through another local school or through their LA's Governor Services team, in order to make up the committee. Alternatively, an entirely independent committee may be convened to hear the complaint at Stage 2.

The committee will deal with the complaint by inviting parties to a meeting.

The complainant may bring someone along to the meeting to provide support, such as a relative or friend. Although legal representation is not encouraged, there may be occasions when legal representation is appropriate. If either side is to be legally represented, they should give **5** school days' notice of the details of their chosen representative to the Clerk. If a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Representatives from the media are not permitted to attend.

At least **10** school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least **5** school days before the meeting, including any written submissions a party wishes to make

Any written material will be circulated to all parties at least **4** school days before the date of the meeting (the committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded).

The committee will not consider any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings are not normally permitted unless a complainant's own disability or special needs require it or unless they are to be used to create a minute of the meeting and will be deleted when an agreed minute is finalised.

The committee will consider the complaint and all the evidence presented.

The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part

If the complaint is upheld in whole or in part, the committee will:

COMPLAINTS PROCEDURE

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the School's systems or procedures to prevent similar issues in the future

The Chair of the Committee will provide the complainant and the School with a full explanation of their decision and the reason(s) for it, in writing, within **5** school days.

The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by the School.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Governing Body or
- the majority of the Governing Body

Stage 2 will be heard by a committee of independent Governors.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the School will take to resolve the complaint.

The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

Next steps

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by Bishop Heber High School. They will consider whether Bishop Heber High School has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

COMPLAINTS PROCEDURE

Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the School in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right
- in making any findings of fact, the investigator should apply the balance of probabilities, or whether it was more likely than not

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the Headteacher or Complaints Committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems

COMPLAINTS PROCEDURE

The Headteacher or Complaints Committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Co-ordinator (this could be the Headteacher / designated Complaints Governor or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, Headteacher, Chair of Governors, Clerk and LAs (if appropriate) to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records

Clerk to the Governing Body

The Clerk is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example; stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

COMPLAINTS PROCEDURE

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the School are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the School has one)

Committee members

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so no Governor may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- Many complainants will feel nervous and inhibited in a formal setting
- Parents/carers often feel emotional when discussing an issue that affects their child
- Extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

COMPLAINTS PROCEDURE

- Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated
- The committee should respect the views of the child/young person and give them equal consideration to those of adults
- If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend
- However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests
- The welfare of the child/young person is paramount

Complaints Committee Procedure

- Each person present will introduce themselves at the invitation of the Chair
- The Chair will tell the parties what the purpose of the hearing is
- The Complainant will be invited to present their case by
 - Briefly opening their complaint
 - Calling witnesses
- If witnesses are called, the Chair will permit the Headteacher to ask questions
- The Committee will also be able to ask questions of each witness
- The Headteacher will be invited to present their case by:
 - Briefly opening their response
 - Calling witnesses
- If witnesses are called, the Chair will permit the Complainant to ask questions
- The Committee will also be able to ask questions of each witness
- The Committee will then ask questions of any party if they wish
- The Complainant will be invited to make a final statement
- The Headteacher will be invited to make a final statement
- The Committee will retire to consider its decision
- The Committee, through the Clerk will provide the parties with its written decision within **5** school days starting with the day following their retirement.
