

Subject	Year	Term
Geography	11	2
Topic		
Challenge of Resource Management		
Content (Intent)		
Prior Learning (Topic)	The Changing Economic World	
Food, water and energy are fundamental to human development.		
Future Learning (Topic) Summer Exam		
What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)	
The changing demand and provision of resources in the UK create opportunities and challenges. Demand for water resources is rising globally but supply can be insecure, which may lead to conflict. Different strategies can be used to increase water supply.	Mock exams testing knowledge of keywords, processes and concepts and your ability to apply these to unfamiliar situations/resources. Recorded on student tracker. Half-termly keyword tests to check understanding of keyword vocabulary. Recorded on student tracker. Pixl Vocab test ½ termly test Homework to test your understanding of ideas/concepts and application to exam style questions using GCP exam practice book.	
Skills: Interpret a variety of choropleth maps, line, bar graphs Mean, mode, median of data sets. Interpret line graphs of % change / calculate % Atlas maps: use and understand coordinates – latitude and longitude. Recognise and describe distributions and patterns of both human and physical features. Maps based on global and other scales may be used and students may be asked to identify and describe significant features of the physical and human landscape on them. Interpret maps of distribution, population movements, transport networks, settlement layout, relief and drainage. Analyse the inter-relationship between physical and human factors on maps and establish associations between observed patterns on thematic maps.	Written exam: Paper 1, Section B - 1 hour 30 minutes 88 marks (including 3 marks for spelling, punctuation, grammar and specialist terminology (SPaG)) 35 % of GCSE	
How can parents help at home?		
Support with homework and revision for mock exams. Discuss current affair issues by watching/reading the news. Download the BBC or Guardian news app and set to environmental notifications to receive the most update articles. Buy revision guide and work to compliment class notes and homework. See reading list below.
