

Subject	Year	Term
Geography	12	1
Topic		
Coastal Landscape and Change; Tectonic Processes & Hazards		
Content (Intent)		
Prior Learning (Topic)		
AQA Geography GCSE which included topics: UK Physical Environment, The Challenges of Natural Hazards and The Challenges of the Human Environment. Each of these GCSE topics have provided a grounding in the knowledge and understanding that will be built upon in these three topics in Year 12.		
Future Learning (Topic)		
Diverse Places – Globalisation		
What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)	
1.Coasts EQ1: An understanding of why coastal landscapes are different and what processes cause these differences. Coasts EQ2: How the characteristics of coastal landforms contribute to coastal landscapes 2.Tectonics EQ1: An understanding of why some locations are more at risk from tectonic hazards Tectonics EQ2: An understanding as to why some tectonic hazards develop into disasters.	Term 3 – End of year Mock exam Term 1 - Early Hurdle Mock exam covering all three topics. Regular key terms tests in all 3 topics. Homework assignments which will include at least one formal exam style question or task per week.	
How can parents help at home?		
Encourage attendance at the weekly support sessions that run throughout the year after school and at lunchtime.		
Helpful further reading/discussion (including Reading and Vocabulary Lists)		
Reading Geography Review Articles Geography for EDEXCEL – Year 2. Oxford book. Geofactsheets Geography for EDEXCEL Revision Guide. Oxford.	Vocabulary Lists Plate tectonic theory, Diversity, Lived experience, Players, Attitudes and Distribution, Vulnerability, actions, Futures and Resilience, impact, Lithology, Uncertainties, marine & sub-aerial processes, littoral zone, coastal morphology
