

HEBER HIGHLIGHTS

October 2025

www.bishopheber.cheshire.sch.uk

Issue 139

Headteacher Editorial: The new academic year is off to an excellent start and I would like to commend our new Year 7 students, sixth formers, and recently appointed staff for the positive impact they've already made. As is customary at this time of year, the Department for Education has released the latest GCSE results and Heber's performance compares favourably both locally and nationally, once again setting a strong benchmark for the year ahead.

Jeans for Genes Day is our annual fundraising event to support gene therapy & research in the UK. This year it took place on Friday, 19th September to align with their national awareness week. Staff and students were encouraged to wear **jeans** and make a donation. Together we raised almost £900 – thank you!

Another longstanding tradition at Heber is the annual **Harvest Assembly** that took place on Thursday, 2nd October. For over two decades we have had a close association with Chester Aid for the Homeless (CATH). Last year CATH was also one of the school's nominated 'Heber Charities' and we were able to support further by raising £850 to support their work in and around Chester.

This year did not fail to disappoint... once again it was great to see the decorated Harvest Boxes donated in the assembly. Rob Whittall, CATH CEO, took all this produce to their HQ to distribute through their foodbanks. In fact, the sheer volume of donations this year allowed CATH to support other food banks in the locality.

The annual **Governors' Day** in school started almost 20 years ago and was held again on Thursday, 9th October this year. Every Governor was in attendance and collectively they visited 35 lessons as well as eight PSHCE classes, two assemblies, four Year Council meetings and five staff focus groups – and that was just in the morning. In the afternoon, attention turned to shaping the strategic direction for 2025–2026. Heber remains steadfast in its commitment to excellence, setting the highest expectations for itself and the community. The school's unwavering ambition ensures that every student is empowered to thrive both academically and personally so they can truly be the best version of themselves, in and beyond the classroom.

Our Upper Sixth students are once again demonstrating their high aspirations by preparing applications for competitive university courses and institutions. Last year, an amazing 48% of our university applicants secured places at highly respected 'Russell Group' universities, and we also have an excellent record of students being accepted to Cambridge and Oxford (Oxbridge).

Twelve students have already submitted 'early entry' applications for courses including Dentistry (Kathryn Gray), Medicine (Jemima Aka, Rhys Evans & Abigail Segamwenge) and Veterinary Science (Phoebe Blake, Molly Brereton & Jayne Jones). We have five students applying to Oxbridge:

Laura Berisa (Experimental Psychology), Leo Dixon (Mathematics), Maisie Jeffery (Veterinary Science), Emily Russell (Natural Sciences), and Barney Smith (History).

Many other Upper Sixth students are now working hard to finalise their UCAS applications with an internal deadline to submit these by Friday, 19th December. Meanwhile, this year's members of our 'Employment Readiness Programme' are looking forward to their upcoming external sessions on CV and interview preparations, with the whole of the year group receiving mock interview practice in mid-November. We wish all our students the very best of luck with their post-18 applications.

Our annual school production is fast approaching! This year we are proud to present *Grease - School Edition*. We are, of course, familiar with the 1978 film starring John Travolta and Olivia Newton John and we are pleased to have secured all the great songs written specifically for this film including *You're the One That I Want*, *Sandy*, *Hopelessly Devoted to You* and the memorable title song as well as the classic originals such as *Summer Nights* and *Greased Lightnin'*. Tickets go on general sale on Tuesday 4th November (Tue 18th | Wed 19th ([here](#)) Thurs 20th | Fri 21st ([here](#))). We hope to see you there.

Mrs S Meadows (2022-2025) joined Heber three years ago in September 2022 as a Teaching Assistant having previously working at Tarporley, Bude and Landulph Primary Schools. Mrs Meadows is leaving us to enjoy her retirement and go travelling. We wish her all the best.

Academic Year 2025-2026 (important dates)

03.11.25	Students return to School (Week B)
05.11.25	Year 7 Parents' Info. Evening (SPH 6 – 7.30 p.m.)
06.11.25	Remembrance Assembly PSHCE Day
13.11.25	Upper Sixth Parents' Eve (4.15 - 7.15 p.m. SPH)
24.11.25	Year 11 Mock GCSE Language Speaking Test
26.11.25	Year 9 + Year 12/13 DofE Evening (MSH 6 p.m.)
04.12.25	Year 11 Parents' Evening (4.15 - 7.15 p.m. SPH)
11.12.25	KS3 Christmas Disco (MSH 6 - 8 p.m.)
16.12.25	Carol Concert (St Oswald's, Malpas 7 p.m.)
18.12.25	Christmas Lunch and Christmas Jumper Day
19.12.25	End of Autumn Term (12.30 p.m. finish)

Spring Term 2025

05.01.26	Students return to School (Week A)

A Sparkling Success: The Blue Sapphire Ball Raises £10,000 for Changing Room Renovation

We are delighted to share the incredible success of the Blue Sapphire Ball, held earlier this term to celebrate the 65th anniversary of the school's opening in 1966, in support of Bishop Heber High School's facilities improvement initiative. The event itself raised an impressive £3,911 through ticket sales, auctions, and contributions on the night. Thanks to a very generous donation received shortly after, the total fundraising amount has now reached a phenomenal £10,000, which will go directly towards the renovation of our changing facilities.

The evening was a celebration of community spirit, featuring live entertainment by Brass Monkees, an auction hosted by ex-student Richard Goodwin, and a delicious three-course meal provided by Wild Garlic. Guests included staff, parents, alumni, and friends of the school, all coming together to support a cause that will benefit our students for years to come.

The funds raised will help transform our changing rooms into modern, welcoming spaces that support student wellbeing and encourage participation in sports and physical education.

If you would like to make a further donation, we would be incredibly grateful. Friends of Heber is a registered charity, and all contributions go directly towards improving facilities and opportunities for our students and our community. Please contact foh@heber.org.uk for details on how to donate.

Get Involved: Join the Friends of Heber Committee
If you enjoyed the Blue Sapphire Ball or are passionate about supporting our school, we'd love for you to get involved! The Friends of Heber Committee is looking for new volunteers to help organise future events and fundraising activities. Whether you can offer time, ideas, or practical support, your contribution will make a real difference.

To express interest or find out more, please contact the school office or email: foh@heber.org.uk

Thank you once again to everyone who helped make the Blue Sapphire Ball such a memorable and impactful evening. We look forward to many more successful events ahead!

65th Anniversary Reunion Lunch

We welcomed 25 former Bishop Heber students and one former teacher from 1960 as part of the school's 65th Anniversary celebrations. They toured the school, visited lessons and had lunch with Sixth Formers. It was an utter privilege to have them return and reunite.

Year 12 Tourism Trip – Ice Cream Farm and Alderford Lake

On the 16th of October, our Year 12 Tourism students visited both the Ice Cream Farm and Alderford Lake as part of their investigations into local visitor attractions. Jonathan Fell (of the Ice Cream Farm), and Zoe (from Alderford Lake) delivered informative presentations to the group about the growth of their businesses, challenges and future plans. A huge thank you to them both for giving up their time and allowing us to delve into the secrets behind the success of their attractions.

Miss A Grieves – Teacher of Geography

Macmillan Coffee Morning

On Friday 26th October the staff took part in the Macmillan Coffee Morning, cakes and hot drinks were served and money was raised. In total we raised £164.78. Thanks to everyone for all your support.

Access Week

Emily Russell (13MLi) won the Dr Claus Essay Competition (for which the prize was attending Access Week), but Emily went a step further and was selected as one of two students in the Access Week Science cohort to be awarded an Exhibitioner Prize. This prize was awarded based on her brilliant work throughout the week, including strong recommendations from her tutors.

"It gives me great pleasure to present this week's Exhibitioner Award for Science to this student, whose work throughout the programme has been nothing short of outstanding. Emily has demonstrated a remarkable ability to engage with complex scientific ideas, showing a deep and nuanced understanding of computational, physical, and climate concepts. From the very beginning, she asked thoughtful and perceptive questions that pushed both her own understanding and the discussions in our sessions further. Her essay, exploring Antarctica's contribution to sea level rise, stood out as a piece of undergraduate-level writing. It combined rigorous scientific thinking with confident engagement in wider reading, and it was written with real clarity and purpose. The depth of analysis and intellectual maturity in her work is something rarely seen at this stage. Emily is an exceptionally bright and motivated student. Her decision to pursue Natural Sciences at university is a brilliant one, and there's no doubt that she will continue to thrive in this field. Congratulations, Emily – a truly deserving recipient of this week's Exhibitioner Award." – Dr Elly Waters.

What an incredible achievement Emily, from everyone at Heber congratulations!

Student raises money for charity

Maisie Jeffery (13H&S) completed her first Half Marathon on 12th October. Maisie took up running in the spring of this year following her decision to give up her dressage riding to focus on her A Level studies.

Maisie has gone from running 5k Parkruns to a Half Marathon in 6 months. She has run a few 10ks along the way and raised over £1,000 for Cancer Research and

Mind. She ran the The Royal Parks Half Marathon in 2 hours 45 minutes, 39 seconds.

Maisie has also founded the Sixth Form running club which takes place every Thursday after school. We are very proud of her achievements, her focus and the determination she has shown in preparing for her runs.

Mr J Garnham – Director of Sixth Form

Scholastic Book Fair

In September we had our Scholastic Book Fair, the students were able to browse and buy a selection of books and stationery. From classics to contemporary titles, thrillers to fantasy there was something for everyone. It was a great introduction to the new year 7's to see how important reading is to everyone at Heber.

Year 8 river trip

Last week, our Year 8 Geography students enjoyed a sun-filled fieldwork trip to Iscoyd Brook to investigate river features and processes. The weather was on our side, making for an engaging and productive day outdoors. Students demonstrated impressive leadership and teamwork while collecting data on river flow, depth, and sediment. Their enthusiasm and collaboration made the experience both educational and memorable. Well done to all who took part!

Miss K Wilson - Teacher of Geography

Book Buzz

Book Buzz is now live on Year 7 and Year 8's Microsoft Teams pages. Check out the Book Buzz channel for competitions, book recommendations, author information and events and free excerpts. Also, each month, a department will 'take over' Book Buzz. Coming soon in November: the Performing Arts department with hint: Books are the word!

**BookBuzz
@Heber has
arrived!**

Extreme Reading Challenge

Congratulations to Felicity Jordan (8SJo), this year's winner of the Extreme Reading Competition 2025. The students were challenged to take a photo of themselves reading somewhere extreme! Shooting hoop and reading, we were very impressed and crowned Felicity the winner. Congratulations! We hope everyone had fun extreme reading this summer.

Mrs K Moreland – Teacher of English

Senior Maths Challenge

The UKMT Senior Maths Challenge is a national competition for the best mathematicians in Years 12 and 13 with only the top 7% of those entering receiving gold certificates and being invited to the follow-up Senior Kangaroo challenge round.

Notable Silver Award Winners were Toby Adamson (12B&M), Felix Cao (12B&M), Eddie Somerville-Cox (12KWi), Thomas Williams (12G&F) and Elliot Bosley (13PMu). The following students did incredibly well to win Gold certificates and qualify. Year 12 – Theo Hughes (12OLi) Year 13 – Leo Dixon (13NSt), Harry Nove (13PMu) and Owen Shrimplin (13PMu).

Additionally, three Sixth Form girls were invited to take part in the Maths Olympiad for Girls, congratulations to Lexi Shaw (12KWi), Libby Shelmerdine (12LSt) and Emily Williams (12KWi) for their participation in this extremely tough competition.

Ms J Symes – Teacher of Maths

Grease is the Word

On 2nd October, the Performing Arts department proudly celebrated the achievements of 50 Year 7 students who took part in our annual Musical Production Day. The event was packed with excitement, creativity, and a shared love for the Performing Arts, as students participated in two dynamic workshops. They learned the lyrics and choreography for *We Go Together* and *Summer Nights*, two iconic numbers from our upcoming school production of *Grease*.

Throughout the day, students demonstrated exceptional effort and enthusiasm, fully immersing themselves in the experience. The highlight was undoubtedly the final performance, where they took to the stage and showcased everything they had learned with confidence and flair.

As the curtain fell, many students were so inspired that they chose to take their passion for performing to the next level by joining the cast of our *Grease* production this November. These talented individuals will now attend after school rehearsals alongside the main cast, who have been working tirelessly to bring the show to life. Their commitment to perfecting every song, move, and scene has been electrifying, and their energy is truly lightning!

As mentioned on the front page the school production of *Grease* will run from Tuesday 18th to Friday 21st November, and the cast couldn't be more excited. They've been hopelessly devoted to making this show unforgettable. Let's face it, there are worse things you could do than buy a ticket or two! Tickets go on sale from Tuesday, 4th November via our online box office, you can find the link on the school website or school social media pages.

On behalf of the Performing Arts department, congratulations to all the Year 7 students for making Musical Production Day such a huge success. We encourage everyone to continue exploring their passion by joining one of our many extra-curricular activities. And to our amazing cast: you're the ones that we want! You really do go together perfectly.

Our current clubs are:

Y7/8 Drama Club – Monday lunchtime
KS3 Choir – Wednesday lunchtime
Rockappella – Wednesday lunchtime

Miss A McCulloch – Teacher of Music

Sport

Taekwondo

A huge congratulations to Sophie Hewitt (8B&S) who competed in the T-UK British Taekwondo Championships at Warwick University. Winning the gold in the under 13s category. Well done!

Congratulations to Connor (11RKy) & Lottie (9JAs) Barley who took part in their first international competition, over in Ireland. With great success both coming away with medals. Connor – Grade 4 men's pairs 1st place. Lottie IDP 1 trio – and two routines completed scoring Balance 1st place, temp 1st place. They were not only first place in the group doing two routines, but they came away with three trophies. Highest artistry score for day one, highest execution score for day one and highest combined score for the club over two days.

Gymnastics

Many congratulations to Maria Anrobus making the British gymnastics trampoline youth finals and coming an impressive 5th place overall. Well done!

Rugby

Double victory for our rugby teams! Our U16's made it through to the next round of the Cheshire cup with a 29-12 win over Sandbach and our U18s won their game 31-24 against Haberdashers' Abraham Darby Rugby. Thank you to both teams and parents for making the journey.

3 teams were in action in rugby matches vs HAD. 2 draws and 1 loss in some very windy conditions. As always, thank you to all parents and volunteer coaches, we couldn't do it without your support!

A fantastic day out for our first rugby Saturday of the season. Year 7, 8, 9 teams were up against Caldy Grange Grammar School who provided excellent opposition in some well contested games. Our Year 7 teams also did amazingly well considering it was their first ever game scoring 6 tries.

Football

Congratulations to the year 7 team who won their first competitive school game beating SJT 5-1.

Great effort by the 6th form 7 aside squad in the district tournament, narrowly losing out in the semi-finals 1-0.

A great effort was made by the year 11 boys football team in the national cup vs Upton, narrowly losing out 4-3.

Great effort by the year 8 football team in the district 7 aside tournament finishing third overall.

Excellent win for y11 boys tonight in the Cheshire Cup vs EPCH winning 4-0. Scorers – Eventa, Davies (2), Collings. PoM – Khalil.

First game of the girls u13 football team in the national cup vs Bishops. Not the result we wanted losing 2-0 but great effort by all the girls. PoM – C.Stockdale.

First district tournament for the year 7 B aside squad and a great effort by all the boys.

Great effort by the year 7 boys football team in the National cup vs The Marches. 2-2 at full time unfortunately missing out on the dreaded penalties 3-2. Scorers Paul, Lewis PoM – Wilkins.

A huge well done to the u13 girls football squad who won 6-2 in the Cheshire cup against EPCH this week. A great performance by the girls.

An excellent win in the National cup for the year 9 boys football team beating priory school 6-1. Scorers Bull (2), Caldwell(2) baker and Hay. Pom – Teddy Bull.

Excellent performance and a 5-1 win for the u16s girls in the second round of the Cheshire Cup vs Whitby. Scorers – Faithful (3) Gunning & Neattie. PoM – A.Jones

Netball

The u15's netball sister in sport competition has started and the girls are through to round 2 of the shields after a tough first game against The Grange, well done!

The last tournament the girls will play together at the u16s District Netball Tournament. They didn't place this time but are an incredible group of girls who have shown commitment to netball throughout the 5 years, well done girls!

Good win for the Year 9 boys football team, coming from a 2-0 to win a 5-3 against Tarporley. Well done!

U19s Final District Tournament. For the year 13's their last District competition, a tough one to end on but some amazing netball being played. Well done girls!

The U15s played outstanding netball at the County Netball Competition in Falibroome, well done girls! Some exceptionally close matches. Watch out for this team at District this year!

U15s played some amazing netball against Lymm High School in the Sisters in Sport competition, unfortunately we didn't come away with the victory this time, but it was a great game well done girls!

Year 9 and 10 netball teams both won their match against SPHS, two great games! Well done girls.

Cross Country

Great effort and some excellent performances at the boys District Cross Country Championships by our Year 7-11 boys.

Year 7 and 8 A & B teams had a friendly game against Queens to start their season. Lots of fun and great netball!

Our sports leaders did a fantastic job helping run the primary cross country, they gave the runners great support and encouragement.

Congratulations to Nia Manson (9G&P) who represented Bishop Heber High School at the English Schools Fell race on Sunday 5th October at Dedbergh. Nia came 8th girl in year 8-9 and 3rd out of the Year 9 girls. A fantastic achievement.

Tennis

Congratulations to Alfie Erraji after completing in the play your way to Wimbledon finals and an intensive summer training camp in Spain, he was runner up in the Fred Perry Grade open final in Manchester & winner of the Ruthin Men's open tournament yesterday.

An awesome performance in the District Cross Country. All year 7 girls finishing in the top 21 places in the minors (over 50 runners). Nia M won the junior's race. Emilia P (11 RKy) and Eleanor W (11ABI) were 1st and 2nd in the inters with Hattie (10KCI) 4th.

Congratulations to Toby Vaughan Griffiths who took part in the U12 Tennis County Cup in Carlisle. He was ranked 2nd in the county and won his singles and doubles against Shropshire and Staffordshire.

We're proud to be taking part in **Anti-Bullying Week 2025**, which runs from **Monday 10th to Friday 14th November**.

This year's theme is *'Power for Good'* a powerful reminder that we all can do something positive to counter the harm and hurt that bullying causes.

To kick off the week, we'll be celebrating **Odd Socks Day on Monday 10th November**. It's a fun and simple way for students to express themselves and celebrate what makes us all unique.

There's no pressure to wear the latest fashion—just grab a pair of odd socks and wear them with pride!

We encourage all students to take part and help us spread the message that being different is something to be celebrated.

What to do if you are being bullied:

Tell a trusted member of staff

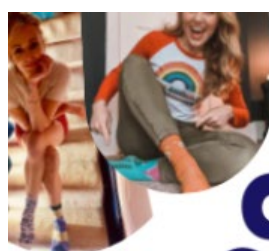

You can report bullying via our Staying Safe reporting form on the School Website
[Staying Safe @ Heber](#)

Speak to your parents

You can also contact Childline for support

[Childline | Free counselling service for kids and young people | Childline](#)

Staying Safe @ Heber
October 2025

Odd Socks Day

MONDAY 10TH NOVEMBER

Odd Socks Day is an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique! There is no pressure to wear the latest fashion or buy expensive costumes. All you need to do to take part is wear odd socks, it could not be simpler!

Learn an instrument at school!

INSPIRE | CREATE | PERFORM

www.musicforlife.org.uk
info@musicforlife.org.uk
01244 728 922

Music, like language, is a fundamental part of human existence and of the societies in which we live. The opportunity to learn to play an instrument enables children to participate in an activity which many will find to be one of the most formative experiences they have as they grow up, developing an interest and a skill which opens up so many possibilities now and in later life. A bonus is that involvement in music has been shown to have a positive effect on other aspects of development - social skills, language, physical coordination and emotional development.

Why choose Music for Life?

Music for Life offers children something special. We work in partnership with over 100 music tutors who visit 130 schools teaching 4,000 children each week from complete beginners to some of the most accomplished young musicians in the UK. Two national independent reviews of school music services rated Music for Life an "outstanding effective service" offering parents and schools "outstanding value". We have also recently been awarded not-for-profit organisation of the year, where particular mention was given to the quality of work undertaken in schools for all activities under the Music for Life banner.

Instrumental lessons during the school day

Instrumental lessons take place during the school day, convenient for parents and meaning students become part of a wider community of young musicians in school, avoiding the isolation that can be felt when learning at home. Thousands of students take part in our extra curricular activities - workshop days, concerts and ensembles, with many taking exams. All tutors are DBS checked, and to work with Music for Life, tutors must be first class musicians and are required to meet professional performance standards.

Instruments offered

Lessons may be available on guitar, piano, keyboard and violin (usually suitable for Year 2 or above) cello, clarinet, saxophone, flute, cornet, trombone, trumpet and euphonium (usually suitable for Year 4 or above) bass guitar, drums and singing. If we are unable to provide lessons on your first choice, we will contact you with the possibility of offering lessons on a second choice if you specify one.

Course Fees

Specialist teaching of a musical instrument falls outside the National Curriculum, so there is a charge for lessons. This varies as some schools provide a subsidy, but up to date details of course fees for your school appear on our booking form. Music for Life offers the facility to set up a monthly subscription which makes paying for music lessons so much easier. Support with fees may be available, so please get in touch with your school for details if you are in receipt of Income Support.

Book Lessons

Lessons can be booked online at www.musicforlife.org.uk where you will find much more information and a simple online booking form where you can make payment in full or set up a monthly subscription via our secure booking portal. **Alternatively, please email admin@musicforlife.org.uk and we will get back to you.**

"A big 'THANK YOU!' to Music for Life for the wonderful service and great teaching for quite a number of years!"

"May I take this opportunity to say how very happy and impressed we are with the level of care and motivational input given to young musicians by ALL of your staff"

"We have been extremely pleased with the service you have provided over the past 9 years. Your admin has been excellent and you have always been helpful and polite."

Main School Office

Your help with the following would be appreciated.

Lost property: Please ensure all items of School clothing and equipment is clearly named/labelled.

Equipment:

Please ensure your child comes to School with the correct equipment for the day.

Please do not allow students to bring any items of value into School as we cannot accept responsibility for any loss or damage.

Attendance

Our school's attendance policy has recently been updated and can be located under the parents' section of the school website for further information.

<https://www.bishopheber.cheshire.sch.uk/parents/policies/attendance-policy>

Finance

You can now donate to the Enrichment support fund via Scopay. The following items are available to purchase online via Scopay:

Casio Scientific Calculator fx-83GTX £10.50

Casio Classwiz Scientific Calculator fx-83GTX £20.50

Gum Shield £2.50

Core 4 Pencil Case - £4.00.

If you wish to purchase any of these items, please do so via Scopay and they will then be available for your child to collect from the Finance Office. If you have not yet signed up for Scopay and you need the information on how to do this please email finance@heber.org.uk and we will send you the details, please include the student's name in the email so that we can send you your unique log in.

Free School Meals

Did you know that by registering for Free School Meals your child not only has the opportunity to enjoy a free school meal? They may be entitled to some financial support for curriculum related day trips and visits.

The school also benefits from additional funding for children who are registered for free school meals or who have been registered in the past six years. The funding gives every student in the schooling system the same opportunities to succeed. Additional support mechanisms at Bishop Heber include intervention classes along with financial support for educational visits and activities.

Am I eligible for Free School Meals?

You will qualify if you are receiving one of the following benefits:

- Income Support
- Income Based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit but not Working Tax Credit and have an annual income that does not exceed £16,190.
- The Guarantee element of State Pension Credit Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit.
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get).

Do you receive Working Tax credit?

If you or a partner receives Working Tax Credit regardless of income, you will not qualify for free school meals.

Free School Meals Helpline - 0300 123 7039

Free School Meals Information – <https://www.cheshirewestandchester.gov.uk/residents/education-and-learning/free-school-meals>

The free school meals team can assess your claim over the phone using an eligibility checker to confirm entitlement.

School Uniform

Preloved school uniform will be available to collect during half term between the hours of 2-6pm, Tuesday and Thursday. Please help yourselves. If you have uniform you no longer need, you are welcome to bring this in.
