

### FOCUS: HATE SPEECH

#### WHAT IS HATE SPEECH?

It is speech that attacks a person or a group on the basis of attributes such as race, religion, ethnic origin, national origin, sex, disability, sexual orientation or gender identity.

Words, name-calling, hateful phrases, casual racist, misogynistic and homophobic, biphobic or transphobic comments - they all have an impact.

#### THIS HAS NO PLACE IN OUR SCHOOL AND OUR COMMUNITY HOW CAN WE SPEAK OUT WHEN WE WITNESS HATE SPEECH?

##### 1. Counterspeech

One of the ways we can fight hate speech is by speaking up about equality, inclusivity, and diversity. Some refer to this method as *counterspeech*. The more we can undermine hate speech with loving words, logical arguments and truth-telling, the more that hate speech will begin to lose its power

##### 2. Challenge hate

If you see or hear someone using language which makes another person feel upset, marginalised, hurt or unsafe, you should inform a member of staff immediately so we can ensure it is stopped.

##### 3. True Vision

If you witness a hate crime out side of school you can report this to True Vision which is a scheme being supported by all police forces.

The police take hate crime very seriously and will record and investigate this offence even if you do not want to give your details.

You may specify how you want to be contacted and say if contacting you would cause you any difficulties. The police will not pass on your details without your consent .
