

Subject		Year	Term
Art and Design		10	2
Topic			
Coursework- Painting			
Content (Intent)			
Prior Learning (Topic)		Coursework- Introduction and Initial Investigations	
<p>Painting</p> <p>Students will begin a painting inspired by the artist/theme they have been researching. The painting will build on skills learnt at KS3 and the experiments produced in Term 1.</p>			
Future Learning (Topic)		Coursework - Construction	
What Knowledge and Skills will be taught (Implementation)		How will your understanding be assessed & recorded (Impact)	
<p>A more sophisticated understanding of paint and processes will be developed. Students will learn to tackle and overcome issues with increased independence.</p>		<p>Practical skills are assessed with regard to being able to review, refine and control materials, processes and techniques. (Assessment Objective 2)</p> <p>Final outcomes are assessed by the quality with which a student has presented a personal response which is clearly supported by their research. They will realise their intentions in a technically convincing and creative way. (Assessment Objective 4)</p>	
<p>Students will review their work and comment with increasing confidence on their progress.</p> <p>They will evaluate their final outcomes and make informed connections with the work of others.</p> <p>Annotation will be personal and reflect a clear understanding of themes and demonstrate insight.</p>		<p>Personal annotation will be assessed by the quality of insight and understanding demonstrated. Writing will be personal and thoughtful. (Assessment objective 3)</p>	
How can parents help at home?			
<p>Students should be encouraged to attend lunchtimes and after school sessions to keep up with deadlines.</p> <p>It should be encouraged that written work is produced as a rough draft first and reviewed before writing into sketchbooks.</p>
