Bishop Heber High School

Subject	Year	Term
Geography	10	3

Topic

Physical Landscapes (Coastal Landscapes & Fieldwork) & The Changing Economic World

Content (Intent)

Prior Learning (Topic) The Urban World & Physical Landscapes in the UK (River Landscapes)

Physical Landscapes (Coastal Landscapes): Within this topic students will gain an understanding of the Coastal Landscapes that exist in the UK. They will be able to see how these landscapes change and how people can interact with them. As part of this topic the students will undertake fieldwork at a coastal landscape to contextualise the knowledge learnt in class.

The Changing Economic World: Students will be able to understand why there is a development gap and how we can measure this. They will be able to contextualise this knowledge by studying Nigeria (A Newly Emerging Economy) as well as the changes within the UK and how they affect regional growth.

Future Learning (Topic) The Changing Economic World & Challenge of Resource Management

What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)
• Wave types effect coastal landscapes in the UK • Coastal processes vary according the rock type which result in the changing landscape of the UK coastal landforms • Different management strategies can be used to protect coastal landscapes from the effects of flooding • The global variations in economic development and quality of life • Different methods are used to measure development across the world • The historical, economic and political causes development gaps • A range of ways are used to reduce the development gap including tourism in Jamaica	Formative assessment through knowledge recall quizzes and key word tests. Homework to test your understanding of ideas/concepts. Summative assessments to discover learning from the whole topic Assessment data is recorded in students KS4 tracker sheets located in their books
Skills: Students will gain vital fieldwork skills from risk assessments, data collections techniques and ways to manipulate data once returning to the classroom. Data presentation techniques include radar graphs and located pie charts. As well, students will be able to annotate historical photographs and use GIS to present findings.	The Changing Economic World GCSE paper in Y11: Paper 2, Section B Physical Landscapes GCSE paper in Y11: Paper 1, Section C Fieldwork Paper 3, Fieldwork skills and synoptic element.

How can parents help at home?

Support with homework and revision for mock exams. Discuss current affair issues by watching/reading the news. Download the BBC or Guardian news app and set to environmental notifications to receive the most update articles. Buy revision guide and work to compliment class notes and homework. See reading list below.
