Geography	11	1

Topic

The Changing Economic World

Content (Intent)

Prior Learning (Topic) Physical Landscapes in the UK & The Changing Economic World

The Changing Economic World: Students will be able to understand why there is a development gap and how we can measure this. They will be able to contextualise this knowledge by studying the changes within the UK and how they affect regional growth. Also, major changes in the economy of the UK have affected, and will continue to affect, employment patterns.

Future Learning (Topic) Challenge of Resource Management

What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)
• Nigeria experiences rapid development which can lead to significant social, environmental and economic change • TNCs such as Shell have positive and negative impacts on the people and environment surrounding the Niger delta • De-industrialisation and decline of traditional industrial base through globalisation and government policies • The UK is moving towards a post-industrial economy: development of IT, service industries, finance, research, science and business parks • Social and economic changes in the rural landscape in one area of population growth and one area of population decline • Infrastructure improvements encourage economic growth regionally, nationally and internationally	Formative assessment through knowledge recall quizzes and key word tests. Homework to test your understanding of ideas/concepts. Summative assessments to discover learning from the whole topic Assessment data is recorded in students KS4 tracker sheets located in their books
Skills: Cartographic skills will be used to interpret how infrastructure links to development Statistical analysis will be used to manipulate numerical data	The Changing Economic World GCSE paper in Y11: Paper 2, Section B

How can parents help at home?

Support with homework and revision for mock exams. Discuss current affair issues by watching/reading the news. Download the BBC or Guardian news app and set to environmental notifications to receive the most update articles. Buy revision guide and work to compliment class notes and homework. See reading list below.
