

Subject	Year	Term						
Media Studies	13	2						
Topic								
News and Online								
Content (Intent)								
Prior Learning (Topic)	TV Drama							
<p>The News and Online section consists of two linked, comparative in-depth studies that focus on contemporary news in the UK, requiring learners to explore how and why newspapers and their online counterparts are as media products and the relationship between both online and offline news. As in-depth studies, newspapers and online, social and participatory media must be studied in relation to all four areas of the media theoretical framework, including all related theories and all relevant contexts.</p>								
Future Learning (Topic) Revision								
What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)							
<p>Students will be taught to;</p> <p>Analyse the Guardian’s print edition as well as their online presence through their website and social media output. They will be required to consider all areas of the media framework, each of the media theories as well as all forms of context.</p>	<p>Assessment 1</p> <p>A range of assessments will take place that reflect the questioning style of the exam. Students will be marked against the criteria for this part of the exam. Marks will range from 10-15.</p>							
<p>Analyse the Daily Mail’s print edition as well as their online presence through their website and social media output. They will be required to consider all areas of the media framework, each of the media theories as well as all forms of context.</p>	<p>Assessment 2</p> <p>Students will complete a full mock of Section A of Paper 1 at the end of this term. This section of the paper is entirely news focused.</p>							
How can parents help at home?								
<p>Please encourage students to take an interest in News and Current Affairs as well as reading a variety of Newspapers.</p>								
Helpful further reading/discussion (including Reading and Vocabulary Lists)
