What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)
Knowledge • Which revision techniques are the most effective • How to complete a revision timetable • The most appropriate foods to eat before and during an exam • The benefit of sleep and exercise	Understanding will be assessed in a variety of ways, for example through engagement and active participation in sessions. Students will complete self-reflection and mid topic/year review sheets. The impact of the PHSCE curriculum will be reported on three times per year as part of the Report cycle, through Attitude to Learning descriptors. Feedback will be collated by Year Leaders following the PHSCE Day in November.
Skills • Ability to make informed choices • Ability to analyse information • Ability to discuss and argue different viewpoints • Ability to interpret information and knowledge and present individual/group interpretation(s)	

How can parents help at home?

- Discuss revision time management and review your child's revision timetable
- Encourage your child to engage with subject specific revision sessions (check SBS)
- Create a space within the home that allows for effective independent exam preparation and the completion of homework
- Support students to maintain a balance between any part time work commitments and the required independent study time.
