Future Learning (Topic)	Revision for the exam		
What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)		
Pupils have to decide on their own context and projects will be pupil led. They will be given an example project, assessment criteria and mini deadlines. Pupils will then drive their own projects forward aiming to meet each of the deadlines. By the end of this term pupils will have completed the following sections Manufacturing a final product Evaluation and testing of the final product Suggested improvements.	The project will be formally assessed in term 3 of Year 13 with only generalised feedback being given after each deadline. No marks will be issued until the final mark is given. This is under JCQ guidelines. The pupils will have a copy of the assessment criteria and can self and peer assess throughout.		
Revision of theory work for exam	Practice questions, unit tests, Key terms tests.		
How can parents help at home?			
Pupils will be expected to complete one hour of homework for each lesson of work. Please encourage them to attend sessions at lunchtime and after school to complete practical work.
