Wider range of connectives.			Spring break: End of unit (Writing) – Formal written assessment - Students write a description of where they live – GCSE style 90 word question, marked against GCSE criteria.		
How can parents help at home?					
Parents can play a vital role in supporting students to recap and revise notes made in any given lesson. Learning together can be a really beneficial and rewarding activity. Parents can also help by facilitating good daily language learning habits such as finding 5 minutes every day to practise spellings of new words. Little and often is the key to language learning and if parents are able to support this approach it really does benefit students.
