What Knowledge and Skills will be taught (Implementation)	How will your understanding be assessed & recorded (Impact)
Knowledge • The functions & uses of money – income/expenditure • Basic principles behind budgeting • Understanding key terms eg disposable income • Managing risk - how to recognise phishing emails • Facts about drugs, their risk and impact on wellbeing • *Careers: Budgeting* • *Careers: Handling Change*	Understanding will be assessed in a variety of ways. For example, through baseline assessments at the start of topics, through formative assessment opportunities including self-reflection and through informal summative assessments to establish factual knowledge. The impact of the PHSCE curriculum will be reported on three times per year as part of the Report cycle, through Attitude to Learning descriptors. Feedback will be collated by Year Leaders following the PHSCE Day in November.
Skills • How to manage money effectively and avoid internet scams • Making the correct choices in a variety of situations	

How can parents help at home?

- Discuss these topics with your child.
- Encourage your child to engage with wider school activities (see SBS).
- Attend and engage with Parents' Evening appointments.
- Read and review reports with your child.
