How can parents help at home?			
<p>Parents can play a vital role in supporting students to recap and revise notes made in any given lesson. Learning together can be a really beneficial and rewarding activity. Parents can also help by facilitating good daily language learning habits such as finding 5 minutes every day to practise spellings of new words. Little and often is the key to language learning and if parents are able to support this approach it really does benefit students.</p>			
Helpful further reading/discussion (including Reading and Vocabulary Lists)			
Reading		Vocabulary Lists	
<p>Wider vocabulary reading/revision using our school subscription to www.linguascope.com</p> <p>Please ask your languages teacher for log in details.</p>		<p>Poco Nunca Jamás Nada Doler Soler</p>
